

A QUICKIE... *with Closer*

TV presenter Gail Porter, 38, answers our quick-fire questions

What do you wear in bed?

My *Star Wars* pyjamas - I take them everywhere with me!

Who was your last argument with?

It was with my five-year-old daughter Honey - we were arguing about whether she could watch one more episode of *SpongeBob SquarePants!*

When did you last clean your toilet?

I actually clean my loo every day - who needs a cleaner? I've never been pretentious about that kind of thing.

What's your favourite smell?

The smell of Honey's hair in the morning - it's a little sweaty, but it smells so cute. I love spending time with her.

Who are your three dream dinner party guests?

Definitely Dan - the cameraman I just met - he's hot! Then I'd have actor Peter Sellers and comedian Eddie Izzard - they're both hilarious.
