

Family picnic is such a success!

More than 20 families gathered in Lady Hill Park, Allerton, Bradford, for a picnic in the sunshine to celebrate **National Family Week**.

The event was organised by staff at Allerton Children's Centre.

Dave Morrison, the manager at the children's centre, said: "The picnic went really well and we had more than 20 families from different backgrounds

eating together and joining in with games. It's great to see people of all ages taking part, having fun and making new friends."

Councillor Michael Kelly, the Council's executive member for services to children and young people, said: "It's great to see our Children's Centres taking **National Family Week** on board and organising a wide range of events

for people of all ages to enjoy. The activities also reflect the district's B-Someone campaign which encourages adults to be more involved with children and young people's lives, and to help them learn new skills, aim high and go on to fulfil their potential."
